GRENADA NATIONAL RESORT PROJECT

Grenada is a young and charming country, which attracts more than 400,000 overseas tourists each year. Grenada is located in the heart of North America and South America. Its location is a gateway to the world. Grenada is one of free trade Caribbean organization member, and it is an

ideal business place with full of opportunities. An excellent business policy, such as import and export trade tax exemption, export trade with allowances, Caribbean trade tax exemption, and etc. This beautiful island country, Grenada became a best place to set up headquarter companies, property management companies, and trust fund companies.

High-quality immigration project

Grenada's CBI program allows individuals and their families to obtain citizenship in Grenada. The Grenada CBI program has excellent benefits that over other countries citizenship by investment program:

- The application process is simple and does not require education or management experiences
- Takes about two months to get Grenada passport
- No actual residence requirements and no need to visit Grenada during the application process
- There are more than 126 countries without visas, including the United Kingdom, Germany, Singapore and China
- This is the best price passport fee for a four people family
- Can apply for E2 visa of the United States
